WELCOME FROM THE CHAIR

WELCOME, EVERYONE!

I am delighted to welcome you to the 2022 HEPNet conference, “Driving Youth Protection” in Indianapolis. This year will be memorable for several reasons:

1) We turned 5 this year!

HEPNet’s fifth birthday as a nonprofit organization was April 5th. We have carved out time to recognize this accomplishment and celebrate the vital network of members that we have become. I want to thank all of you who have contributed to this milestone! I especially want to thank our founders, those who turned this vision into a reality: Ann Franke, Anne Koester, Dawn Riddle, Lindsay Bond, Omar Andujar, and Sandy Weaver. We would not be here without your vision plus a willingness to craft a strong foundation for the organization that we have become. On behalf of the board, THANK YOU for your contributions! We will do our best to live up to your vision.

2) We are co-locating with URMIA!

It’s a testament to our growth and accomplishments over the past five years that URMIA would be willing to join us in hosting our two conferences. I am excited to meet our risk and insurance colleagues and learn from them, as well as discuss our areas of mutual interest. Youth protection cannot be successful without a strong understanding of the important work they do, and risk managers cannot succeed without attending to the minors in our midst. We need each other! I look forward to seeing what this conference brings for future collaborations.

3) We are together IN PERSON!!

In spite of the pandemic, somehow we have managed to maintain strong connections with each other virtually, whether through HEPNet-sponsored programs and events or informal networking. That said, nothing beats being together in person! I am excited to see colleagues old and new, and take advantage of sitting next to one another, catching each other in the hallways between sessions, and enjoying meals and social time together.

So, start your engines, and get ready to shift into high gear where we promise to take you from 0 to 60 from Day 1!

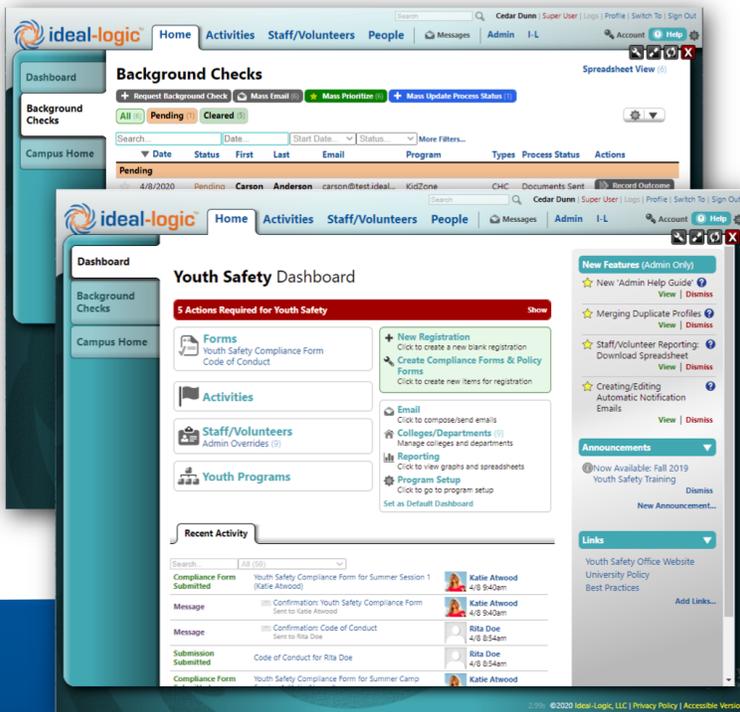

All my best,
Caroline
