# WELCOME

Dear Colleagues,

Welcome to the University of Utah. It's a perfect setting to **Innovate and Elevate** our vital work of protecting youth.

The program is packed with expert speakers and fresh ideas. The hallways and meals offer abundant networking opportunities.

Heartiest thanks go to our fabulous Conference co-chairs, Nate Friedman and Marci Hutchinson (University of Utah) and Rachael Jensen (University of Nebraska at Omaha). Many others worked behind-the-scenes to bring all the pieces together. Here's a special shout out to the HEPNet Conference Program Committee, Executive Director Lindsay Bond (Ohio State), and, for stunning graphic design, Melissa Marrero (Rutgers).

You'll enjoy meeting our sponsors, who provide invaluable support to HEPNet. Take the opportunity to explore their products and services.

I look forward to scaling new heights together with you this week.

Here's to a magnificent Conference!

Take your program quality to the next level

Provide your auxiliary and summer program directors with **tools, resources, and amazing professional development opportunities!**

*“ACA has provided the education and support network our camps need. In a university setting, where college students are the norm, ACA has allowed me to educate the community, advocate for the children we see on campus, and keep them safe throughout the summer and during the off season”*
